

## SS-4: Slot Socket Flip Impact 3-in-1 Hex: 9/16" & 3/4"

### Features & Benefits:

- Impact-rated flip-style socket for quick change between sizes
- Two hex nut sizes in one socket:
  - 3/4" for transformers, clamps, and other 3/4" hardware
  - 9/16" for copper lugs, grounds, and other 9/16" hardware
- Slot on both sides tightens and loosens multiple items:
  - Grounding clamps
  - Hot line clamps
  - Stirrups
  - Underground feed through bushings
  - Temporary arm insulators
- Includes 1/2" female to 3/8" male drive adapter (SS-FAD)
- Also compatible with other 3/8" drive adapters

**Multiple Functions in 1 Compact Size**
